STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
SEVENTY-ONE

AN ACT Relating to Reports of Registration and Enrollment of Voters.

Be it enacted by the People of the State of Maine, as follows:

R. S., T. 21, § 1091, amended. The 2nd sentence of section 1091 of Title 21 of the Revised Statutes is amended to read as follows:

Within 10 days after a primary election, the registrar shall report **the total number of voters in each voting district of the municipality** and the number of voters enrolled in each political party in each voting district of the municipality at the close of the polls on election day.

STATEMENT OF FACT

The present law does not require a reporting of a total number of voters. This amendment would require such a report and would provide more meaningful statistical information to political candidates and officers.
