**AN ACT Relating to Salary of Executive Secretary of the Board of Barbers.**

---

---

**Emergency preamble.** Whereas, Acts and resolves passed by the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the salary of the Executive Secretary of the Board of Barbers has been previously determined by the board to be in the present Range 11 under the salary schedule of the Personnel Law; and

Whereas, the positions of executive secretary and sanitarian I within the board have been combined by the board as an economy measure; and

Whereas, the board has determined that the salary of the executive secretary should be in Range 14 under the present schedule of the Personnel Law, and has made diligent efforts to have such range change approved by the State Personnel Board; and

Whereas, in order to officially administer the duties of the board and to obtain competent personnel, such range change is necessary; and

Whereas, the salary of the executive secretary is paid from special revenue accounts of the board and not the General Fund; and

Whereas, under section C, chapter 154 of the private and special laws of 1969, special revenue accounts of the board shall not be used for range changes beyond those stated in the board's original budget submitted to the Legislature; and

Whereas, in the judgment of the Legislature, these facts create an emer-

gency within the meaning of the Constitution of Maine, and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

**Sec. 1.** The salary of the executive secretary of the State Board of Barbers is changed from Range 11 to Range 14 under the present salary schedule of the Personnel Law. Such change shall remain in effect so long as the positions of executive secretary and sanitarian I under the board are held by one individual.

**Sec. 2. Effective date.** This Act shall be retroactive to October 1, 1970.

**Emergency clause.** In view of the emergency cited in the preamble, this Act shall take effect when approved.
