STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
SEVENTY-ONE

**AN ACT Clarifying School Construction Aid on a Special Project in School
Administrative District No. 22.**

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, school facilities have been constructed for secondary students of Winterport; and

Whereas, a hardship would be created in School Administrative District No. 22 without the provisions of this Act; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine, and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

P. & S. L., 1969, c. 237, amended. The 2nd and 3rd sentences of the 2nd paragraph of chapter 237 of the private and special laws of 1969 are amended to read as follows:

The agreement prepared by the State Board of Education shall contain a provision that the Town of Winterport agrees to pay 42% of the **principal and interest** cost of the additional facilities not to exceed \$105,000 for the **principal amount** in addition to its regular annual school assessment. The district shall be reimbursed from funds appropriated for school construction

aid 58% of the **principal and interest** cost of the additional facilities, not to exceed \$145,000 in **principal amount**.

Emergency clause. In view of the emergency cited in the preamble, this Act shall take effect when approved.

STATEMENT OF FACT

The intent of this bill is to make the school construction aid for the Winterport high school student addition consistent with construction aid under the general law where interest is considered in making reimbursements. Funds for such reimbursement are already in the department budget for school construction aid.
