STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
SEVENTY-ONE

AN ACT Relating to Amount of Life Insurance for Certain Retired State
Employees.

Be it enacted by the People of the State of Maine, as follows:

R. S., T. 5, § 1151, sub-§ 9, ¶ A, amended. The 3rd paragraph of paragraph A of subsection 9 of section 1151 of Title 5 of the Revised Statutes is repealed as follows:

~~The average amount of insurance for any employee who retires before he was eligible for 5 years of such coverage shall be determined by adding the amount of coverage he had in each year prior to retirement and dividing by the number of years he was eligible. If he was eligible for coverage less than one year prior to retirement, the amount of coverage shall be equal to the amount in force at the first day he became insured.~~

STATEMENT OF FACT

The amendment can no longer apply and was inserted when the Group Life Insurance was originally introduced to give direction as to the amount of insurance available to persons who retired and did not have the time required for a full 5 year average.

There is no cost involved in this bill and it will not require an appropriation.
