**RESOLVE, Relating to an Environmental Study in Construction of
High-level Bridge between Westport and Wiscasset.**

Study of construction; authorized. Resolved: That the Commissioner of Sea and Shore Fisheries, in cooperation with the Maine State Highway Commission, is authorized and directed to conduct a study to determine the environmental advantages, if any, or environmental disadvantages, if any, that may be caused by the construction of a high-level bridge between Westport and Wiscasset; and be it further

Resolved: That there is appropriated from the Unappropriated Surplus of the General Fund the sum of \$10,000 to carry out the purpose of this resolve.

STATEMENT OF FACT

This resolve will provide for a determination of the environmental impact of a potential high-level bridge to replace the existing bridge and causeway between Wiscasset and Westport Island.
