STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
SEVENTY-ONE

AN ACT Increasing Indebtedness of Berwick Sewer District.

Be it enacted by the People of the State of Maine, as follows:

P. & S. L., 1963, c. 154, § 11, amended. The 3rd sentence of section 11 of chapter 154 of the private and special laws of 1963 is amended to read as follows:

The total indebtedness of the district at any one time outstanding shall not exceed the sum of ~~\$700,000~~ \$1,500,000.

STATEMENT OF FACT

Facts for purposes and reference in this Bill are as follows: the Berwick Sewer District was created by the Private and Special Laws of Maine, 1963; the Charter was duly accepted by vote of the District on June 15, 1964; the District is now obligated by State Law to eliminate pollution; construction costs have increased substantially over the past 9 years since the Berwick Sewer District was originally proposed. The projected debt requirement of the District is now anticipated to be \$1,500,000.00; the increase of its debt limit is essential to the continuance of and the functioning of the District.
