Sec. 3. R. S., T. 39, § 55, amended. Section 55 of Title 39 of the Revised Statutes, as amended by section 4 of chapter 408 of the public laws of 1965, is further amended to read as follows:

§ 55. Compensation for partial incapacity

While the incapacity for work resulting from the injury is partial, the employer shall pay the injured employee a weekly compensation equal to $\frac{2}{3}$ the difference, due to said injury, between his average weekly wages, earnings or salary before the accident and the weekly wages, earnings or salary which he is able to earn thereafter, but not more than $\frac{2}{3}$ of the average weekly wage in the State of Maine as computed by the Employment Security Commission; and such weekly compensation shall be adjusted annually on July 1st so that it continues to bear the same percentage relationship to the average weekly wage in the State of Maine as computed by the Employment Security Commission, as it did at the time of the injury; and in no case shall the period covered by such compensation be greater than 300 weeks from the date of the accident except for vocational rehabilitation services provided under sections 52 and 54.

Sec. 4. R. S., T. 39, § 58, amended. The first paragraph of section 58 of Title 39 of the Revised Statutes, as repealed and replaced by section 6 of chapter 408 and as amended by section 7 of chapter 489, both of the public laws of 1965, is further amended to read as follows:

If death results from the injury, the employer shall pay the dependents of the employee, dependent upon his earnings for support at the time of his accident, a weekly payment equal to $\frac{2}{3}$ his average weekly wages, earnings or salary, but not more than $\frac{2}{3}$ of the average weekly wage in the State of Maine as computed by the Employment Security Commission, nor less than \$18 weekly, from the date of death, until such time as provided for in the following paragraph. Such weekly compensation shall be adjusted annually on July 1st so that it continues to bear the same percentage relationship to the average weekly wage in the State of Maine as computed by the Employment Security Commission, as it did at the time of the injury.
