STATE OF MAINE
SENATE
105TH LEGISLATURE

SENATE AMENDMENT " A " to H. P. 1335, L. D. 1751, Bill,
"AN ACT Revising the Maine Potato Tax Law."

Amend said Bill in section 1 by striking out all of subsection 3 of that part designated "§ 4562." and inserting in place thereof the following:

3. Potatoes. "Potatoes" shall mean and include all potatoes, whether graded or ungraded, including all potatoes sold for processing into food; but shall not include potatoes sold for processing into starch unless such potatoes are sold under a federal diversion program and paid for as grade potatoes.'

Statement of Fact

The purpose of this amendment is to provide that grade potatoes under a federal diversion program would be subject to the tax, even though such potatoes are sold for starch production, other potatoes being sold for starch production being nontaxable.
