FIRST SPECIAL SESSION

ONE HUNDRED AND FIFTH LEGISLATURE

Legislative Document

No. 1917

H. P. 1474

House of Representatives, January 24, 1972

Committee on Health and Institutional Services suggested.

BERTHA W. JOHNSON, Clerk

Presented by Mrs. Doyle of Bangor.

STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED  
SEVENTY-TWO

AN ACT Relating to Authorized Equipment Purchases at  
the Bangor State Hospital.

Be it enacted by the People of the State of Maine, as follows:

P. & S. L., 1971, c. 105, Section A, amended. That part of Section A of chapter 105 of the private and special laws of 1971 under the caption MENTAL HEALTH AND CORRECTIONS which relates to Bangor State Hospital is amended to read as follows:

Bangor State Hospital	36.375	36.075
-----------------------	--------	--------

(File Cabinets, Hot Food Carts, Dormitory Beds, Mattresses, Portable Electric Welder, Ambulance, Station Wagon, Sedan, Pick-up Trucks, Bus—66 Passenger, Van Type Truck, Hospital Beds, and Mattresses, Light and Heavy Duty Equipment with Accessories for Mechanical Trades, Automatic X-Ray Film Processor, Automatic and Non-automatic Floor Cleaning Machines, Window Washing Machine, Wet-dry Vacuum Cleaners, High-speed Vertical Food Cutter and Mixer, Steam Kettles, Clothing Marking Machine, Industrial Sewing Machines, Compressor for Garbage Chill, Biological and Pharmaceutical Refrigerators, Metal Shelving (stainless and non-stainless), Diversified Equipment for Laboratory, Physical Therapy and Occupational Therapy.

## STATEMENT OF FACT

This Act reflects a reordering of priorities in connection with the necessary purchase of equipment resulting from a change of administration at the Bangor State Hospital. The elimination of the ambulance, which was acquired by gift, and the reduction in quantities of other items authorized to be purchased under chapter 105 of the private and special laws of 1971, make possible the purchase of necessary equipment listed in the foregoing amendment without the necessity of seeking any increase in the amount already appropriated for equipment purchases at the Bangor State Hospital.
