STATE OF MAINE

**AN ACT Relating to Per Diem Allowances and Expenses of
Members of Board of Hairdressers.**

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the present law excludes payment to a board member for inspection of a shop or establishment where hairdressing is practiced and for a trip to confer with the executive secretary on board business and for traveling to regional and national conferences; and

Whereas, the following legislation is vitally necessary to enable the board members to carry out the duties conferred upon them by statutes; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine, and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

R. S., T. 32, § 1601, amended. The last paragraph of section 1601 of Title 32 of the Revised Statutes, as amended by section 2 of chapter 277 of the public laws of 1971, is repealed and the following enacted in place thereof:

The members of the board shall each receive as compensation for their services \$35 per day for the time actually spent and their necessary expenses incurred in the discharge of their duties.

Emergency clause. In view of the emergency cited in the preamble, this Act shall take effect when approved.

STATEMENT OF FACT

The purpose of the bill is reflected in the emergency preamble.
