HOUSE OF REPRESENTATIVES
106TH LEGISLATURE

HOUSE AMENDMENT "A " to H. P. 50, L. D. 57, Bill, "AN ACT
Relating to the Wearing of Fluorescent Orange Clothing While
Hunting During Hunting Season."

Amend said bill by striking out everything after the amending
clause and inserting in place thereof the following:

'§2468. Fluorescent clothing and color blindness

firearms during the open firearm season on deer, except when
hunting waterfowl from a boat or blind or in conjunction with water-
fowl decoys, shall wear hunter fluorescent orange clothing which
is in good and serviceable condition and which shall be visible from
all sides.

2. Color blindness. No license to hunt shall be issued to any
person who is totally color blind. Each applicant for a hunting license
shall be required to state under oath whether or not he is totally
color blind. The commissioner shall take proper measures to ensure
enforcement of this prohibition.'

Statement of Fact

The purpose of this amendment is to further increase the safety
of hunters by requiring not only that hunters wear a distinctive
color but also that they be able to recognize colors.
