STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED

AN ACT Relating to Sale of Certain Publications of Department of Inland

Be it enacted by the People of the State of Maine, as follows:

R. S., T. 12, § 1965, amended. Section 1965 of Title 12 of the Revised Statutes, as enacted by chapter 101 of the public laws of 1965 and as amended by section 8 of chapter 403 of the public laws of 1971, is further amended to read as follows:

§ 1965. Sale of other publications

In the case of all other publications ~~and~~, articles, biological and statistical data, and other materials in the department's possession and professional and technical services by department personnel, excepting publications of the laws in whatever form, pertaining to the Department of Inland Fisheries and Game that the commissioner deems advisable for the more effective dissemination of factual information, information of public interest or information tending to promote better public relations, he is authorized to fix the price, if any, at which such ~~publication~~ publications, ~~and~~ articles, biological and statistical data, professional and technical services and other materials may be sold and delivered. Such publications, ~~and~~ articles, biological and statistical data, and other materials are not to carry any commercial advertising.

STATEMENT OF FACT

This would permit the department to charge a reasonable fee for certain materials that under the present statute it is now unable to do. It is estimated the revenue increase would be \$2,500 per annum.
