STATE OF MAINE
HOUSE OF REPRESENTATIVES
106TH LEGISLATURE

COMMITTEE AMENDMENT " A " to H.P. 298, L.D. 400, Bill, "AN ACT
Relating to Insurance for Motor Vehicle Dealers under Financial
Responsibility Law."

Amend said Bill by striking out all of the last underlined
sentence, before the Statement of Fact, and inserting in place
thereof the following:

'The Insurance Commissioner shall not approve the policy
unless it provides coverage for the operator as well as the owner,
but if the operator is a person other than the named insured, his
agent or employee, the policy may provide that coverage for such
operator shall not apply except to the extent that the limits of
liability of any other valid and collectible insurance available
to such operator are not equal to the limits of liability
specified herein, in which event any such other valid and collectible
insurance available to the operator shall be primary insurance as to the
operator notwithstanding anything to the contrary in such other
policy.'

Statement of Fact

The purpose of this amendment is to indicate coverage for the
operator while using a dealer or transporter's vehicle by means of
insurance that protects the operator only if there is no other
automobile liability insurance available to him or if the limit of
such other insurance is lower than the financial responsibility
requirement.
