**AN ACT Setting Off Part of Standish to Raymond, Cumberland County.**

---

Be it enacted by the People of the State of Maine, as follows:

**Sec. 1. Part of Standish transferred.** The following portion of the Town of Standish, in the County of Cumberland, is transferred to the Town of Raymond in said county: The part of the Town of Standish transferred is described as Frye Island, located in Sebago Lake, southwest of Raymond Cape.

**Sec. 2. Transfer of property, etc.** Immediately after this Act becomes fully effective, all the real and personal property, together with all accounts receivable, choses in action and all other rights and benefits of the Town of Standish in connection with the property described in section 1 shall be conveyed, transferred, assigned, delivered and paid over to the Town of Raymond and said Town of Raymond shall assume and carry on all the functions of the Town of Standish in connection therewith and is authorized and empowered to raise funds by loan, or taxation, or both, from time to time as found necessary to carry on said functions and to defray the indebtedness thereof, if any.

It shall be the duty of the selectmen of the Town of Standish, at the time this Act becomes fully effective, to execute and deliver in behalf of said town, suitable and appropriate conveyances of all said property, real and personal, of said Town of Standish to the Town of Raymond, and thereafter all valid contracts of the Town of Standish in connection therewith shall be assumed and executed by the Town of Raymond.

## STATEMENT OF FACT

The only way to get to Frye Island from the mainland is through the Town of Raymond. Any municipal services required would have to be from the Town of Raymond otherwise substantial delay in arrival of police or fire equipment from the Town of Standish would render the service too late.
