Presented by Mr. Shaw of Chelsea.

STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
SEVENTY-THREE

AN ACT Relating to Regulation and Inspection of Plumbing.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. R. S., T. 22, § 42, repealed and replaced. Section 42 of Title 22 of the Revised Statutes, as amended by chapter 233 of the public laws of 1967, is repealed and the following enacted in place thereof:

§ 42. Rules and regulations

1. **General.** The department shall issue rules and regulations considered necessary and proper for the protection of life, health and welfare, and the successful operation of the health and welfare laws. The rules and regulations shall be published in such manner as the department may direct.

2. **Department records.** The department shall make and enforce reasonable rules and regulations governing the custody, use and preservation of the records, papers, files and communications of the department, and especially those which pertain to the granting of public assistance. The use of such records, papers, files and communications by any other agency or department of government to which they may be furnished shall be limited to the purposes for which they are furnished and by the law under which they may be furnished. It shall be unlawful for any person, except for purposes directly connected with the administration of the public assistance and in accordance with the rules and regulations of the department, to solicit, disclose, receive, make use of or authorize, knowingly permit, participate in or acquiesce in the use of, any list of or names of, or any information concerning, persons applying for or receiving such assistance, directly or indirectly, derived from the records, papers, files or communications of the State or subdivisions or agen-

cies thereof, or acquired in the course of the performance of official duties. Any person violating any provision of this subsection shall be punished by a fine of not more than \$500 or by imprisonment for not more than 11 months, or by both.

3. **Plumbing.** The department shall adopt rules and regulations relating to plumbing and inspection thereof consistent with Title 30, sections 3221 to 3225 and Title 32, sections 3301 to 3507; and shall hold hearings on the first Tuesday of February of each year for the purpose of considering changes in the rules and regulations pertaining to plumbing.

Any person who violates the rules and regulations adopted under this subsection, or who violates a municipal ordinance adopted pursuant to Title 30, section 3221 shall be punished by a fine of not less than \$100 nor more than \$500 for each offense. The department or a municipality may seek to enjoin violations of said rules and regulations or municipal ordinances.

4. **Industrial employees.** The Department of Health and Welfare shall be authorized:

A. **Formulate, amend and repeal rules and regulations.** To formulate, amend and repeal such rules and regulations as may be necessary for the protection of life, health and welfare of employees in industrial establishments and places of employment;

B. **Environmental or other health hazards.** To make evaluations and determinations of environmental or other health hazards affecting employees in any occupation and to establish appropriate standards related thereto. These hazards shall include but not be limited to drinking water, toilets, lavatories, showers, sleeping quarters, eating facilities, garbage and refuse disposal, sewage disposal, cross-connections, control of communicable diseases, plumbing, housekeeping, illumination, heating and ventilation, rest and dressing rooms, labeling, storage, transportation and use of materials, noise, occupational diseases including protection from radiation and air contaminants such as dusts, fumes, mists, gases and vapors;

C. **Cooperate with others.** To advise, consult and cooperate with other agencies of the State, the Federal Government and other states and interstate agencies, and with affected groups, political subdivisions and industries;

D. **Funds.** To accept and administer according to law loans, grants or other funds or gifts from the Federal Government and from other sources, public or private, for carrying out its functions under this chapter;

E. **Studies and research.** To encourage, participate in or conduct studies, investigations, training, research and demonstrations relating to the control of occupational health hazards;

F. **Health education information.** To collect and disseminate health education information relating to occupational health and welfare;

G. Inspections. To enter and inspect industrial establishments and places of employment and to enforce the rules and regulations promulgated under this section;

H. Penalties. Any person who violates any provision of this subsection or the rules and regulations made thereunder shall be punished by a fine of not less than \$50 nor more than \$200 for each offense.

Sec. 2, R. S., T. 22, § 42-A, repealed. Section 42-A of Title 22 of the Revised Statutes, as enacted by section 1 of chapter 554 of the public laws of 1969, is repealed.

Sec. 3. R. S., T. 22, § 47, amended. The 2nd sentence of section 47 of Title 22 of the Revised Statutes is amended to read as follows:

~~Whoever~~ Any person who violates any order, rule or regulation of the department made for the protection of life or health under law shall be punished by a fine of not less than ~~\$10~~ \$20 nor more than ~~\$100~~ \$200, for each offense unless otherwise provided in section 42.

Sec. 4. R. S., T. 30, c. 215, sub-c. X, additional. Chapter 215 of Title 30 of the Revised Statutes is amended by adding a new subchapter X, to read as follows:

SUBCHAPTER X

REGULATION AND INSPECTION OF PLUMBING

§ 322I. Plumbing regulations

1. **Municipal ordinances.** Municipalities may by ordinance, prescribe regulations for the materials, construction, alteration and inspection of all pipes, tanks, faucets, valves and other fixtures by and through which water, waste or sewage is used or carried, and for the materials and sizes of pipe which carry water to all plumbing fixtures; provided that all permit fees established shall be the same as those fees established by the Department of Health and Welfare.

2. **State regulations.** No ordinance enacted by a municipality may provide less than the minimum requirements of the rules and regulations of the Department of Health and Welfare relating to plumbing as promulgated pursuant to Title 22; provided that all permit fees shall be determined by regulations of the Department of Health and Welfare. The rules and regulations of the Department of Health and Welfare in relation to all plumbing shall have full force and effect; provided however, to the extent that a municipality has enacted ordinances, the provisions of said ordinances shall prevail.

3. **Plumbing defined.** For the purposes of this subchapter, "plumbing" means the installation, removal, alteration or repair of pipes, fixtures and other apparatus for bringing in the water supply and removing and disposing of liquid and water-carried wastes, including the necessary piping and water connections to all types of domestic heating apparatus using water.

§ 3222. Plumbing inspectors

1. **Appointment, compensation, removal.** In every municipality, the municipal officers shall appoint one or more inspectors of plumbing, who may or may not be residents of the municipality for which they are appointed, and who shall hold office for one year.

Compensation of plumbing inspectors shall be determined by the municipal officers and shall be paid by their respective municipalities.

A plumbing inspector may be removed for cause by the municipal officers, after notice and hearing.

2. **Certification.** No person may hold the office of plumbing inspector unless he is currently certified as qualified by the Commissioner of Health and Welfare. Certification of plumbing inspectors shall be in accordance with the standards set by the commissioner, and shall be for a period of 3 years. The commissioner may grant temporary certification for a period not to exceed 6 months.

3. **Duties.** Plumbing inspectors shall perform the following duties :

A. Inspect all plumbing for which permits are granted, within their respective municipalities, to assure compliance with state and municipal regulations and investigate all construction or work covered by those regulations ;

B. Condemn and reject all work done or being done or material used or being used which does not comply with the provisions of state and municipal regulations, and order changes necessary to obtain compliance ;

C. Issue a certificate of approval for any work approved by him ;

D. Keep an accurate account of all fees collected by him, and to transfer such fees to the municipal treasurer ;

E. Keep a complete record of all essential transactions of his office ;

F. Perform other duties as provided by municipal ordinance.

§ 3223. Plumbing permits

1. **Permits required.** No pipes, tanks, faucets, valves or other fixtures shall be placed in any building, nor shall any septic tank or other system of private sewage disposal be installed to receive the drainage from such plumbing, except to repair leaks or to replace an existing fixture to be used for the same purpose, unless a permit for installation of such work has been issued by the municipal plumbing inspector. A permit shall be valid for a period no longer than 6 months after date of issuance.

2. **Fees.** The permit required by this section shall be issued upon receipt by the plumbing inspector of a completed application form as prescribed by the Commissioner of Health and Welfare, and payment by the applicant of the fee determined by the regulations of the Department of Health and Welfare.

One-third of the amount of such fee shall be paid through the Department of Health and Welfare to the Treasurer of State to be maintained as a permanent fund and used by the department for the carrying out of its plumbing rules and regulations and the training and certification of plumbing inspectors.

The remainder shall be paid to the treasurer of the municipality and used exclusively for carrying out the plumbing laws in such municipality.

§ 3224. Approving own work forbidden

No inspector of plumbing may inspect or approve any plumbing work done by himself, or by any person by whom he is employed, or who is employed by or with him.

§ 3225. Annual reports

Inspectors of plumbing shall annually, before the first day of February, make a full report in detail to their respective municipalities and to the Department of Health and Welfare of all their proceedings during the previous calendar year under this subchapter.

Sec. 5. R. S., T. 32, c. 49, sub-c.c. II and IV, repealed. Subchapter II, as amended, and subchapter IV of chapter 49 of Title 32 of the Revised Statutes are repealed.

Sec. 6. R. S., T. 32, § 3302, repealed and replaced. Section 3302 of Title 32 of the Revised Statutes is repealed and the following enacted in place thereof:

§ 3302. Applicability

A license shall be required for any person, corporation, partnership or other entity who is engaged in plumbing or working in plumbing; provided that, for cases under section 3305, a license shall only be required for persons who work in plumbing which is not specifically excepted. A permit issued pursuant to Title 30, section 3223 shall be required for all plumbing.

Sec. 7. R. S., T. 32, § 3304, amended. The first paragraph of section 3304 of Title 32 of the Revised Statutes is repealed.

Sec. 8. R. S., T. 32, § 3305, additional. Title 32 of the Revised Statutes is amended by adding a new section 3305 to read as follows:

§ 3305. Exceptions

This chapter shall not apply to the following limited work in plumbing:

1. Employees of water companies and districts. Plumbing by regular employees of water companies and water districts when working for such companies; provided however, that this exception only applies to plumbing which is directly related to the installation of water meters and for running water from a public way into a building;

2. Licensed oil burner men. Plumbing by oil burner men, duly licensed under chapter 33 of Title 32; provided however, that this exception only ap-

plies to hot and cold water connections to existing piping in the same room where an oil burner is being installed and does not apply beyond any existing branch connecting supplying water ;

3. Private owners. Plumbing by the owner who occupies his dwelling house or place; provided however, that this exception applies only to one building with its appurtenant structures.

STATEMENT OF FACT

The purpose of this bill is to clarify the laws relating to plumbers and plumbing inspectors and to allow each municipality to adopt its own rules and regulations with respect to plumbing. This bill also clarifies the procedures of the Department of Health and Welfare with respect to the adoption of rules and regulations.
