Statement of Fact

The purpose of this amendment is to:

1. Clarify the operation of a snowmobile by a child under 10 years of age.
2. Have the bill as to snowmobiles manufactured apply to those manufactured on or before October 1, 1973 rather than February 1, 1975.
3. Grandfather the noise level of snowmobiles manufactured between October 1, 1973 and February 1, 1975 so that they may be operated after the stricter requirements come into being.
4. To correct an error in the percent figure.
