Sec. 4. R. S., T. 32, § 351, amended. The last sentence of the first paragraph of section 351 of Title 32 of the Revised Statutes is repealed and the following enacted in place thereof:

The chairman of the board shall be elected by the barber members of the board.

STATEMENT OF FACT

The purpose of this legislation is to promote greater participation on the part of Maine barbers who wish to promote their profession and the improvement of services and quality within the State of Maine. It has been the practice in the past that membership on the board of barbers has been limited to the barbers who wish to serve, because of long service by previous state board members. This legislation will correct this obvious limitation.
