Be it enacted by the People of the State of Maine, as follows:

**R. S., T. 26, § 464, amended.** The last sentence of the 2nd paragraph of section 464 of Title 26 of the Revised Statutes, as amended by section 2 of chapter 313 of the public laws of 1965, is further amended to read as follows:

STATEMENT OF FACT

This implements recommendation #1, Department of Manpower Affairs, in the Maine Management and Cost Survey Report. The bill makes the Boiler and Elevator Division of the Bureau of Labor and Industry self-supporting. The increased income would be \$12,500 annually. This recommendation was supported by the Governor in his special message to the 106th Legislature presented on January 10, 1974.
