AN ACT Providing for a Workmen's Compensation Insurance Fund.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. R. S., T. 39, c. 6, additional. Title 39 the Revised Statutes is amended by adding a new chapter 6, to read as follows:

CHAPTER 6

WORKMEN'S COMPENSATION INSURANCE FUND

§ 201. Fund

There is hereby created and established a fund to be known as the "Workmen's Compensation Insurance Fund," hereinafter in this chapter called the "fund," to be administered by the Workmen's Compensation Insurance Fund Board, hereinafter in this chapter called the "board," for the purpose of insuring employers against liability for injuries compensable under this Act and for the purpose of insuring to employees and other persons the compensation and benefits provided by said Act for employees and their dependents. Nothing in this Act shall be construed to prohibit an employer from becoming or remaining a self-insurer pursuant to section 23, but it is the intention of the Legislature that, with the exception of self-insurers, the said fund shall be the sole provider of insurance for liabilities for injuries compensable under this Act.

§ 202. Contents

The Workmen's Compensation Insurance Fund shall consist of:

1. All premiums received and paid into the fund for insurance issued by it;
2. All property and securities acquired by and through the use of moneys belonging to the fund and acquired by gift or otherwise;
3. All interest earned upon moneys belonging to the fund and deposited or invested as provided in this chapter.

§ 203. Rates

For the purpose only of establishing premium rates, the fund shall be deemed to be subject to the provisions of Title 24-A, chapter 25, as that chapter is from time to time amended.

§ 204. Liability

The fund may insure employers against their liability for compensation or damages under the Workmen's Compensation Act of this State or any extension or amendment of said laws and against liability for compensation or damages under the United States Longshoremen's and Harbor Workers' Compensation Act or any extension of that Act.

§ 205. Self-supporting

The fund shall, after a reasonable time during which to establish itself, become neither more nor less than self-supporting. For that purpose, loss experience and expense shall be ascertained and dividends or credits may be made as provided in this chapter. The fund shall be exempt from any financial or budgetary control or supervision by any state agency, except for the audit made by the Insurance Superintendent.

§ 206. Dividends

The actual loss experience and expense of the fund shall be ascertained on or before the first day of July in each year for the calendar year preceding. If it is then shown that there exists an excess of assets over liabilities, necessary reserves and a reasonable surplus for the catastrophe hazard, then a cash dividend may be declared to, or credit allowed on, the renewal premium of each employer who has been insured with the fund. Such cash dividend or credit is to be in an amount equivalent to the individual employer's proportion of divisible surplus.

§ 207. Application of assets

The assets of the fund shall be applicable to the payment of losses sustained on account of insurance and to the payment of the salaries and all other administrative expenses charged against it.

§ 208. Real estate

The fund may acquire, own, sell and repurchase real property for its offices when so determined by the board.

§ 209. Custodian

The Treasurer of State shall be the custodian of all moneys and securities

belonging to the fund except as provided in this chapter. He shall be liable on his official bond for their safekeeping.

§ 210. Deposits

All moneys which belong to the fund and are collected or received under this chapter shall be delivered to the Treasurer of State or deposited to his credit in such bank or banks throughout the State as he designates but such moneys are not state moneys.

§ 211. Securities

All securities belonging to the fund shall be delivered to the Treasurer of State and held by him until otherwise disposed of as provided by this chapter.

§ 213. Expenditures

Upon such delivery or deposit, such moneys and securities shall be credited by the Treasurer of State to the fund. No moneys received or collected on account of the fund shall be expended or paid out without first passing into the State Treasury and being drawn therefrom as provided in this chapter.

§ 213. Ledger account

The Treasurer of State shall keep a special ledger account showing all of the assets pertaining to the fund. In the Treasurer of State's general ledger, this account may appear as a cash account, like other accounts of funds in the State Treasury, and only the actual cash coming into the fund shall be entered in the account.

§ 214. Revolving fund

The board may withdraw from the fund in the State Treasury, without at the time presenting vouchers and itemized statements, a sum not to exceed in the aggregate \$100,000 to be used as a revolving fund. Such revolving fund shall be deposited in such banks and under such conditions as the board shall decide.

§ 215. Expenditures

Expenditures made from the revolving fund in payments made in connection with the insurance business transacted by the fund are exempted from the restrictions imposed upon the expenditures of state moneys. Reimbursement of the revolving fund shall be made upon presentation to the Treasurer of State of an abstract or statement of such expenditures. Such abstract shall be in the form required by the Treasurer of State.

§ 216. Investments

The board shall cause all moneys in the fund which are in excess of current requirements to be invested and reinvested, from time to time, in securities authorized by law for the investment of funds of savings banks.

§ 217. Deposits

All moneys in the fund, in excess of current requirements and not other-

wise invested, may be deposited by the Treasurer of State from time to time in banks authorized by law to receive deposits of public moneys, under the same rules and regulations that govern the deposit of public funds. The interest accruing thereon shall be credited to the fund.

§ 218. Valuation

During the months of January and July of each year, the board shall cause a valuation to be made of the properties and securities acquired and held for the fund and shall report the results of the valuation to the Governor and Insurance Superintendent.

§ 219. Acts

All business and affairs of the fund, including any litigation, shall be conducted in the name of the fund, and in that name, without any other name or title, the board or the executive director of the fund may perform the acts authorized by this chapter.

§ 220. Reimbursement

The fund shall annually reimburse the State Treasury for services performed as custodia of the moneys of the fund.

§ 221. Board

The board shall be composed of 5 members appointed by the Governor with the consent of the Council. Two of the members shall be policyholders or representatives thereof and 2 shall be employees of a policyholder in the fund. With exception of appointments in the first instance, at least 4 of the members, in order to qualify for membership on the board, shall have been a policyholder, or the employee of a policyholder, in the fund for one year prior to his appointment and must continue in such status during the period of his membership. The members shall be appointed for terms of 5 years each, except that of the members first appointed, one shall be appointed for a term of one year; one for a term of 2 years; one for a term of 3 years; one for a term of 4 years and one for a term of 5 years. They shall serve until their successors are appointed and have qualified. Vacancies shall be filled for the unexpired terms.

§ 222. Chairman

The Governor shall appoint annually in January from its members a chairman and vice-chairman, who shall act as chairman in the absence of the chairman.

§ 223. Powers

The board is vested with full power, authority and jurisdiction over the fund. The board may perform all acts necessary or convenient in the exercise of any power, authority or jurisdiction over the fund, either in the administration thereof or in connection with the insurance policies to be carried on by it under this chapter, subject to such regulation as provided.

§ 224. Rules and regulations

§ 225. Meetings; quorum

The board shall meet at least once in each month and at such other times as it may determine or the business of the fund may require. Three or more members present and voting at a meeting in the conduct of the affairs of the board shall constitute a quorum. The action of 3 or more members present shall be the action of the board.

§ 226. Compensation

The members of the board shall be entitled to receive as compensation \$40 per diem for each day actually spent in attendance upon meetings of the board or on the business thereof, together with their actual and necessary traveling and other expenses incurred in connection therewith.

§ 227. Audit

The board shall have an annual audit of the books and records of the fund made by a duly qualified certified public accountant and shall cause an abstract summary of this audit to be published.

§ 228. Duties of board

The board may:

1. Sue and be sued in all actions arising out of any act or omission in connection with its business or affairs. The approval of the board shall be by written endorsement on the bond. The bond shall be filed in the office of the Secretary of State.

§ 232. Duties

The board may delegate to the executive director of the fund, under such rules and regulations and subject to such conditions as it may from time to time prescribe, any power, function or duty conferred by law on the board in connection with the fund or in connection with the administration, management and conduct of business and affairs of the fund. The executive director may exercise such powers and functions and perform such duties with the same force and effect as the board, but subject to its approval.

Sec. 2. R. S., T. 39, § 22, amended. Section 22 of Title 39 of the Revised Statutes, as amended by section 12 of chapter 585 of the public laws of 1973, is further amended to read as follows:

§ 22. Approval of insurance policies and rates by Insurance Superintendent

Every insurance company issuing industrial accident insurance policies as limited herein covering the payment of compensation and benefits provided for in this Act and the **Workmen's Compensation Insurance Fund** shall file with the Insurance Superintendent a copy of the form of such policies and no such policy shall be issued until he has approved said form. It shall file its classification of risks and premium rates relating thereto, and any subsequent proposed classification thereof, none of which shall take effect until the Insurance Superintendent has approved the same as adequate for the risks to which they respectively apply. He may require the filing of specific rates for workmen's compensation insurance including classifications of risks, experience or any other rating information from insurance companies authorized to transact such insurance in Maine, or the **Workmen's Compensation Insurance Fund** and may make or cause to be made such investigations as may be deemed necessary to satisfy himself that such rates are correct and proper before giving his approval and permitting such rates to be promulgated for the use of said companies or the **Workmen's Compensation Insurance Fund**. The Insurance Superintendent may at any time withdraw his approval of any classification of risks or premium rates relating thereto and approve a revised classification thereof.

Sec. 3. R. S., T. 39, § 23, sub-§ 1, repealed and replaced. Subsection 1 of section 23 of Title 39 of the Revised Statutes is repealed and the following enacted in place thereof:

1. By insuring and keeping insured the payment of such compensation and other benefits under an insurance policy with the **Workmen's Compensation Insurance Fund**.

Sec. 4. R. S., T. 39, § 23, sub-§ 2, amended. Subsection 2 of section 23 of Title 39 of the Revised Statutes is amended to read as follows:

2. By furnishing satisfactory proof to the commission of his solvency and financial ability to pay, up to \$50,000 per occurrence, the compensation and benefits provided for by this Act, and deposit cash, satisfactory securities or a surety bond, in such sum as the commission may determine; such bond to

run to the Treasurer of State and his successor in office, and to be conditional upon the faithful performance of this Act relating to the payment of compensation and benefits to any injured employee. In the event such assenting employer desired to secure such compensation and benefits in excess of the \$50,000 per occurrence limit, he may secure such insurance, including, if any, reinsurance from any qualified insurance company or the fund. In case of cash being deposited, it shall be placed at interest by the Treasurer of State, and the accumulation of interest on said cash or securities so deposited shall be paid to the employer depositing the same. The commission may at any time in its discretion deny to an assenting employer the right to continue in the exercise of the option granted by this section.

Sec. 5. Appropriation. There is appropriated from the General Fund to the Workmen's Compensation Insurance Fund Board the sum of \$50,000 for the purpose of implementing this Act for the fiscal year 1974-75. The breakdown shall be as follows:

	1974-75
WORKMEN'S COMPENSATION INSURANCE	
FUND BOARD	
Personal Services	(3) \$25,000
All Other	25,000
	<hr/> \$50,000

This appropriation shall be returned to the General Fund within a period of 5 years following certification by the Chairman of the Industrial Accident Commission, the Superintendent of Insurance and the Commissioner of Manpower Affairs as being, in their view, sufficient assets to conduct the affairs of the fund.

STATEMENT OF FACT

The purpose of this legislation is to establish a state workman's compensation fund. When this fund is fully operative, it should, based on experience in other states with similar state funds, significantly reduce the cost to employers of purchasing workmen's compensation insurance for their employees, while at the same time providing employees a less litigious process and greater assurance of quick payment of valid claims.

This legislation provides for the appointment of 5 commissioners (2 representing employees, 2 representing employers and one representing the public) as strictly part-time commissioners, who in turn will hire an executive director. The executive director would prepare the fund to assume the responsibility of writing insurance within approximately 1 to 1½ years. The fiscal note shows a loan from the General Fund of \$50,000 for initial start-up money, which will be repaid to the General Fund within 5 years of the time the fund starts selling compensation policies.
