STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
SEVENTY-FIVE

AN ACT Relating to Fees for the Inspection of School Buses.

Be it enacted by the People of the State of Maine, as follows:

29 MRSA, § 2017, as enacted by PL 1973, c. 780, § 4, is repealed and the following enacted in place thereof:

§ 2017. School bus inspection

Notwithstanding section 2122, every school bus as defined in section 2011 shall be submitted to an official inspection station designated by the Chief of the State Police as a school bus inspection station, during the months of August and February of each year for the purpose of complying with section 2122 concerning adjustment and sufficiency of the required equipment. School buses requiring inspection during any month other than August and February, which satisfy the inspection requirements, shall be issued the school bus inspection sticker which will expire the following August or February, whichever is earlier. The operator of any official school bus inspection station, or his agent, shall conduct the inspection of school buses presented to him for that purpose in accordance with section 2122 and with the rules and regulations promulgated by the Commissioner of Educational and Cultural Services, for which he shall receive a fee of \$4 for each school bus inspected, this sum not to include labor or material used in correction of faults in such school buses.

STATEMENT OF FACT

The fee and the manner of inspection for school buses was omitted in the 1973 repeal and replacement of Title 29, chapter 11, subchapter XII. The purpose of this bill is to provide for the manner of inspection of such school buses and the fee which may be charged for said inspection.
