(New Title)
New Draft of H. P. 329, L. D. 401

ONE HUNDRED AND SEVENTH LEGISLATURE

Legislative Document

No. 663

H. P. 565

House of Representatives, February 18, 1975

Reported by Mr. Rideout from the Committee on Business Legislation and printed under Joint Rules No. 18.

EDWIN H. PERT, Clerk

STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
SEVENTY-FIVE

AN ACT to Establish a Fee for Issuance of the First Hairdresser's License and to Establish a Fee for Certain Hairdresser Examinations.

Be it enacted by the People of the State of Maine, as follows:

32 MRSA § 1652, last 2 sentences, are repealed and the following enacted in place thereof:

Said applications shall be filed with the secretary of said board and shall be accompanied by an examination fee of \$15. If examination is satisfactory, the applicant shall pay a fee of from \$10 to \$15 to receive a first license, which shall be valid for a period of one year from the date of issuance. The board shall determine the exact amount of this fee. If not successful, the applicant shall have the privilege of taking a 2nd examination by payment of a fee of \$10 at any subsequent examination held by the board within a period of one year. Any applicant, who has failed a 2nd or subsequent examination, may take a further examination at a time to be determined by the board upon payment of a \$10 fee for each subsequent examination.

STATEMENT OF FACT

The purpose of the original bill was to increase examination fees and to establish a first license fee, in order to meet the increased expenses of the State Board of Cosmetology. The purpose of the new draft is to reduce the range within which license fees may be set, to specify that the license shall be valid for a period of one year, so that the fee cannot be increased during that year, and to provide for further examinations at the same rather than an increased fee.
