STATE OF MAINE
SENATE
107TH LEGISLATURE

COMMITTEE AMENDMENT " A " to S.P. 203, L.D. 670, Bill,
"AN ACT to Require the Commissioner of Agriculture to Report
Yearly to the Legislature on Methods of Stimulating and Encouraging
the Growth and Modernization of Agricultural Enterprises."

Amend said Bill by striking out all of the last underlined
sentence before the Statement of Fact and inserting in place thereof
the following:

'Such report shall be made available to the Legislature on the
first day of the 3rd week following the convening of the Legislature
for the regular session, and on the first day of the 2nd week
following the convening of the Legislature for the first special
session of the year in the year following the year of the regular
session. For purposes of obtaining information, the Department
of Agriculture may hold public hearings throughout the State,
after giving public notice thereof.'

Statement of Fact

The intent of this amendment is to change the date by which
the Commissioner of Agriculture shall report to the Legislature
in order to eliminate the costs of convening a special session
of the Legislature, which would have been required by the
original bill.
