AN ACT Making Capital Construction and Improvement Appropriations for the University of Maine from the General Fund for the Fiscal Year ending June 30, 1976.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the 90-day period may not terminate until after the beginning of the next fiscal year; and

Whereas, certain obligations and expenses incident to the operation of departments and institutions of the University of Maine will become due and payable on or immediately after July 1, 1975; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. Appropriations from General Fund. In order to provide for necessary expenditures of government and other purposes for the fiscal year — from July 1, 1975 to June 30, 1976 — the following sums or as much thereof as shall severally be found necessary, as designated in the following tabulations, are appropriated out of any moneys in the General Fund not otherwise appropriated.

Sec. 2. Appropriation balances at year end. At the end of each fiscal year, all unencumbered appropriation balances representing state moneys shall carry forward from year to year to be expended for the same purposes. It is further provided that unencumbered appropriation balances at June 30, 1981 shall lapse to the General Fund. Encumbered appropriation balances at the end of each fiscal year shall be carried forward from year to year, but any balances at June 30, 1983 shall lapse to the General Fund.

Sec. 3. Interest earnings. Any interest earned on account balances representing state moneys shall be credited to the General Fund.
