AN ACT to Clarify Provisions Relating to the Town of York School District.

---

---

Be it enacted by the People of the State of Maine, as follows:

P. & S. L. 1951, c. 57, § 1, is amended to read:

**Sec. 1. Town of York School District, incorporated.** Subject to the provisions of this act, the inhabitants of and the territory within the town of York shall constitute a body politic and corporate under the name of "Town of York School District" for the purpose of acquiring and disposing of property within the said town for school and related athletic and recreational purposes; for the purpose of erecting, enlarging, repairing, equipping and maintaining on said property a school building or school buildings and related athletic and recreational facilities; for the purpose of leasing or letting any property of said district to said town; for the purpose of receiving, accepting and holding gifts, grants or devises of property, real, personal or mixed, to be used for school and related athletic and recreational purposes; and all for the benefit of the inhabitants of said district.

STATEMENT OF FACT

In 1975 the Town of York School District had to acquire a new location for a new high school. In acquiring said land from an estate, it was necessary because of the nature of the seller estate to acquire more than was necessary for the erection of school purposes. The School District would now like to be able to dispose of that part of the property, which includes a house, which is not necessary for school purposes. There is no authority for the District to dispose of the property under its original Act.
