**AN ACT Relating to Movement of Overwide Farm Equipment.**

---

Be it enacted by the People of the State of Maine, as follows:

29 MRSA § 1702, 1st ¶, 3rd sentence is amended to read:

Mowing machines, light farm tractors, not customarily operated over public ways, and other lightweight farming vehicles are exempted from this section, provided they are so equipped with lights or reflectors as to adequately warn other highway users of their extreme width to the front and rear during the times when headlamps are required by section 1366.

STATEMENT OF FACT

This Act would require overwide farm equipment moved during the times lighting is required to display lights or reflectors so as to warn other highway users of its extremities.
