STATE OF MAINE
HOUSE OF REPRESENTATIVES
107TH LEGISLATURE
FIRST SPECIAL SESSION

COMMITTEE AMENDMENT "A" to H.P. 1870, L.D. 2041, Bill,
"AN ACT Concerning Brake Requirements on Certain Hauling Devices."

Amend said Bill by striking out everything after the amending clause and inserting in place thereof the following:

'(5) Semitrailers designed and used exclusively for the dispensing of cable from reels attached thereto, commonly called reel trailers, and semitrailers designed and used exclusively to support the end of poles while being transported, commonly called pole dollies, with a gross weight of that semitrailer and load not to exceed 12,000 pounds shall be excluded from the provisions of this subsection until the 1985 registration year.'

Statement of Fact

The purpose of this amendment is to clarify the type of hauling devices and to establish a weight and time limit for the exclusion. Also this allows persons, other than public utilities, this exclusion.

Reported by the Committee on Transportation.

Reproduced and distributed under the direction of the Clerk of the House.
