STATE OF MAINE  
HOUSE OF REPRESENTATIVES (Filing No. H-1294)  
FIRST SPECIAL SESSION  
107TH LEGISLATURE

HOUSE AMENDMENT "C" to S.P. 760, L.D. 2310, Bill, "AN  
ACT to Provide Grants and Loans for Health Education."

Amend said Bill by striking out everything after the  
enacting clause and inserting in place thereof the following:

'Purchase of student positions at University of Vermont  
Medical School and Tufts University Medical School. The  
Department of Educational and Cultural Services is authorized  
to expend such amounts of money as are necessary to purchase  
additional student positions at the University of Vermont  
Medical School, not to exceed 15 new positions, and at Tufts  
University Medical School, not to exceed 20 positions, in order  
to increase the number of Maine residents receiving medical  
education during fiscal year 1976-77.

Funds to provide the amounts necessary to secure these  
student positions may be drawn only from accounts within any  
department in which cost savings can be made which were not  
identified as of April 14, 1976, or from unused funds currently  
appropriated for this purpose.'

Statement of Fact

The purpose of this amendment is to authorize the Commissioner  
of Educational and Cultural Services to expend such amounts of  
money as are necessary to purchase additional student positions  
at the University of Vermont Medical School and Tufts University  
Medical School.
