Further amend the Bill in section 2 in the 4th line (3rd line in L.D.) by striking out the underlined words "and street address" and inserting in their place the following: 'and, upon request, street address'

Statement of Fact

The purpose of this amendment is to require every voter to state his or her street address, as well as his or her name, to an incoming and outgoing clerk in order to make it easier to identify the person voting. The amendment gives such officials the authority to request the voter to state his address, if that will help identification of voters in a particular voting place.

Reported by the Committee on Election Laws.
