STATE OF MAINE
HOUSE OF REPRESENTATIVES
108TH LEGISLATURE
FIRST REGULAR SESSION

(Filing No. H-361)

HOUSE AMENDMENT "A" to H.P. 291, L.D. 348, RESOLVE,
to Appropriate Moneys for Research on Black Fly Biology
and Continued Research on an Environmentally Safe
Insecticidal Control for Black Flies."

Amend the Resolve by striking out all of the last
paragraph before the Emergency clause and inserting in its
place the following:

'Appropriation; black fly control. Resolved: That
there is appropriated from the General Fund to University
of Maine <----- >the sum of \$29,240
for the fiscal year 1977-78 for the purpose of supporting
research directed by members of the University of Maine
staff on black fly biology, ^{on} /quantifying the adverse
economic impact caused by blackflies, on the economic
benefits that might accrue from their control, on
environmentally safe insecticidal control of black flies
and on locating streams where black flies would be
susceptible to control, except that none of the funds
appropriated shall be used for the application of
insecticides to streams, rivers, lakes, ponds or other
waters in the State.'

Statement of Fact

This amendment requires the
University of Maine to quantify the adverse economic
impact caused by blackflies and the economic benefits that

might accrue from their control and further states that the appropriation shall not be used for the application of insecticides to streams, rivers, lakes, ponds or other waters in the State.

Filed by Mr. Davies of Orono.

Reproduced and distributed under the direction of the Clerk
of the House.
