STATE OF MAINE
HOUSE OF REPRESENTATIVES

FIRST REGULAR SESSION

(Filing No. H-344)

HOUSE AMENDMENT "A" to S.P. 213, L.D. 662, Bill, "AN ACT
Relating to the Law Governing the Manufacturers, Distributors and
Dealers of Beverage Containers."

Amend the bill by inserting after section 1 the following:

'Sec. 2. 32 MRSA §1868, sub-§2, as enacted by PL 1975, c. 739,
§16, is repealed and the following enacted in its place:

2. Connectors. With containers connected to each other by a
separate holding device constructed of plastic rings or other
device or material which does not disintegrate within a reasonable
period of time under natural conditions.'

Further amend the bill by renumbering section 2 to be section
3.

Statement of Fact

This amendment is intended to allow the use of plastic
connectors which will become brittle and begin the process of dis-
integration after several weeks of exposure to sunlight. Similar
connectors have been approved for use in Vermont.

Filed by Mr. Mahany of Easton.

Reproduced and distributed under the direction of the Clerk of
the House.
