STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
SEVENTY-SEVEN

AN ACT Appropriating Funds for Improvements to the Wiscasset Airport.

Be it enacted by the People of the State of Maine, as follows:

Appropriation. There is appropriated from the General Fund to the Department of Transportation the sum of \$7,583 to be used with federal and local funds for the purpose of making improvements to the Wiscasset Airport.

FISCAL NOTE

The total cost of the proposed improvements to the Wiscasset Airport amount to \$151,660 of which \$136,494 would be federally funded, \$7,583 would be locally funded and the remaining \$7,583 would be state funded.

STATEMENT OF FACT

The purpose of this bill is to provide state funds to be used with federal and local funds for the purpose of resurfacing existing runway 7-25, stub taxiways and plane parking apron with a pavement overlay, replace the existing rotating beacon, relocate the existing segmented circle and wind sock and construct a 6-foot security fence along the runway ends and part of sides for safety reasons. It is intended that this appropriation for improvements at the Wiscasset Airport replace the \$30,000 previously provided by the Legislature in P & SL 1967, chapter 178, which is no longer available.
