STATE OF MAINE
SENATE
108TH LEGISLATURE
FIRST REGULAR SESSION

COMMITTEE AMENDMENT "A" to S.P. 347, L.D. 1175, Bill, "AN ACT Granting the Industrial Accident Commission the Power to Correct Clerical Errors in Certain of its Documents."

Amend the Bill in the 6th line (5th line in L.D.) after the amending clause by striking out the underlined words "after such notice, if any, as the commission orders" and inserting in their place the following underlined words 'after notice to the parties'

Statement of Fact

The amendment would require that notice be given to the parties in all cases, instead of leaving it to the commission's discretion. The amendment does not require written notice and allows informal types of notices.

Reported by the Committee on Judiciary.

Reproduced and distributed pursuant to Senate Rule 11-A.
