F. R.

STATE OF MAINE
SENATE (Filing No. S-327)
108TH LEGISLATURE
FIRST REGULAR SESSION

SENATE AMENDMENT "A" to H.P. 1267, L.D. 1494, RESOLVE,
Authorizing and Directing the Commissioner of Marine Resources,
the Commissioner of Inland Fisheries and Wildlife and the
Atlantic Sea Run Salmon Commission to Take the Steps Necessary
to Assure the Construction of a Fishway on the Dam Obstructing
the Kennebec River at Augusta.

Amend the Resolve by adding at the end before the state-
ment of fact the following:

'6. Edwards Manufacturing Co., Inc., and Augusta Development Corporation. Notwithstanding any other provision of law, the Edwards Manufacturing Co., Inc., and the Augusta Development Corporation shall not be responsible for any expenses or costs incurred in the implementation of this resolve; nor shall the implementation of this resolve interfere in any way with the operations of the Edwards Manufacturing Co., Inc., the Augusta Development Corporation or their successors or assigns.'

Statement of Fact

This amendment takes note of the fact that Augusta Development Corporation is a nonprofit local development corporation organized under the laws of the State. Edwards Manufacturing Co., Inc., is a Maine corporation engaged in the manufacture of textiles at the Edwards plant in Augusta. The Augusta Development Corporation holds title and leases to Edwards Manufacturing Co., Inc., all of the land, buildings, machinery, equipment, dam and electric generating facilities used in the operation of the Edwards mill in Augusta.

The cost of construction of the fishway at the Edwards dam or any interruption in the generation of electric current from the dam would seriously affect the ability of Edwards Manufacturing Co., Inc., to continue the operation of its textile mill.
