L.D. 2013

STATE OF MAINE  
HOUSE OF REPRESENTATIVES  
108TH LEGISLATURE  
SECOND REGULAR SESSION

(Filing No. H-974)

HOUSE AMENDMENT "C" to S.P. 652, L.D. 2013, Bill, "AN ACT  
Relating to Certificate of Need."

Amend the bill in that part designated "§304." by striking out  
all of subsection 2 and inserting in its place the following:

'2. Commitment for financing. No person shall enter into  
any commitment for financing a project which requires a certificate  
of need or incurs an obligation for a project without having received  
a certificate of need, except that the prohibition shall not be  
applicable as to financing commitments which are conditioned upon  
the granting of the certificate of need or obligations which  
constitute predevelopment activities and do not exceed \$150,000.'

Statement of Fact

The purpose of this amendment is twofold:

1. It adds a provision which was inadvertently left out of  
the bill and which would require that any expenditure in excess of  
\$150,000 for predevelopment activities receive a certificate of  
need; and
2. It provides that financing commitments conditioned upon  
the granting of a certificate of need for the project be permitted  
under the legislation.
