D. OF. R.

L.D. 2013
(Filing No. S-443)

STATE OF MAINE
SENATE
108TH LEGISLATURE
SECOND REGULAR SESSION

SENATE AMENDMENT "E" to S. P. 652, L.D. 2013, Bill, "AN ACT
Relating to Certificate of Need."

Amend the Bill in that part designated "§304." by striking
out all of subsection 2 and inserting in its place the following:

'2. Commitment for financing. No person shall enter into
any commitment for financing a project which requires a certificate
of need or incurs an obligation for a project without having
received a certificate of need, except that the prohibition shall
not be applicable as to financing commitments which are conditioned
upon the granting of the certificate of need or to obligations
which constitute predevelopment activities and do not exceed
\$150,000.'

Statement of Fact

The purpose of this amendment is to:

1. Add a provision which was inadvertently left out of the
bill and which would require that any expenditure in excess of
\$150,000 for predevelopment activities receive a certificate of
need; and
2. Provide that financing commitments conditioned upon
the granting of a certificate of need for the project be
permitted under the legislation.
