STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
SEVENTY-EIGHT

**RESOLVE, Authorizing the Atlantic Sea Run Salmon Commission to Grant Certain
Easement on State Land to the Machias First Corporation**

Atlantic Sea Run Salmon Commission; authorized to grant easement; a deed to state land. Resolved: That the Atlantic Sea Run Salmon Commission is authorized to grant and convey to the Machias First Corporation by quitclaim deed such fee or easement over such part or parts of land located in Machias and belonging to the State as may be deemed by the commission as necessary for the location and construction of 300' or road, sewer, water and utility connections in the Riverview Height area at Machias in the County of Washington.

Such conveyances shall be on such terms and conditions as the commission shall decide, subject to unanimous approval of the commission membership.

STATEMENT OF FACT

The purpose of this resolve is to authorize the Atlantic Sea Run Salmon Commission to grant any and all easements or deeds to the Machias First Corporation, which the commission deems appropriate for the construction and maintenance of a 60-foot road, sewer, water and utility easement across the property about 300 feet in the area of Riverview Height, Machias, Washington County, Maine. (Plan of the area on file in the Town Office in the Town of Machias.) The road will serve 3 important functions:

1. To provide an alternate entrance and escape development;
2. To permit convenient entrance to proposed elderly housing complex; and
3. To provide entrance to over one mile of river front area on the Machias River for public and recreational use.
