L.D. 2199
(Filing No. S-570)

STATE OF MAINE
SENATE
108TH LEGISLATURE
SECOND REGULAR SESSION

SENATE AMENDMENT " F" to S. P. 748, L. D. 2199, Bill,
"AN ACT to Make Additional Corrections of Errors and Inconsistencies
in the Laws of Maine."

Amend the Bill by inserting before the emergency clause
the following:

'Sec. 371. 32 MRSA §6055, first ¶, last 2 sentences, as enacted
by PL 1977, c. 508, §3, are repealed and the following enacted in
their place:

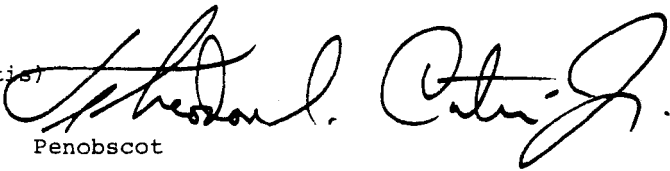

For the purposes of this chapter, a polygraph examiner shall
be considered a private investigator and shall not engage in
the practice of his profession unless licensed as a private
investigator as provided in section 6057, except that a part-time
or full-time police officer acting as a polygraph examiner outside
his capacity as a police officer with the knowledge and approval
of his department head prior to November 1, 1977 may continue
to act as a polygraph examiner in that capacity without a license.
However, a part-time or full-time police officer may act as a
polygraph examiner without a license while acting in his capacity as
a police officer.'

Statement of Fact

The purpose of this amendment is to exclude certain police officers who, with the approval of their department head, acted as polygraph examiners in the civilian component prior to November 1, 1977 from the licensing requirements of the private investigator laws.
