**Preamble.** Two-thirds of both Houses of the Legislature deeming it necessary in accordance with the Constitution of Maine, Article IX, Section 14.

Be it enacted by the People of the State of Maine, as follows:

**Sec. 1. Department of Transportation authorized to construct bridge across the Kennebec River.** The Department of Transportation is authorized to construct a bridge across the Kennebec River in the City of Augusta with approaches thereto at an estimated cost of \$10,000,000. The cost of the bridge, with the highway approaches thereto, shall be taken and appropriated from the proceeds of bonds issued under authority of this Act.

**Sec. 2. Treasurer of State to issue bonds.** The Treasurer of State is authorized, under the direction of the Governor, to issue from time to time serial coupon bonds redeemable before maturity in the name and behalf of the State to an amount not exceeding \$10,000,000 for the purpose of raising funds for the construction of the bridge and approaches, as provided in this Act. The bonds shall be deemed a pledge of the faith and credit of the State. The bonds when paid at maturity or otherwise retired shall not be reissued, but may be refunded on terms more favorable to the State than those in the original issue.

**Sec. 3. Records of bonds issued to be kept by State Auditor and Treasurer of State.** The State Auditor shall keep an account of the bonds, showing the number and amount of each, the date of countersigning, the date when payable and the date of delivery thereof to the Treasurer of State, who shall keep an account of each bond, showing the number thereof, the name of the person to whom sold, the amount received for the same, the date of sale and the date when payable.

**Sec. 4. Sale, how negotiated; proceeds appropriated.** The Treasurer of State may negotiate the sale of the bonds by direction of the Governor; but no such bond shall be loaned, pledged or hypothecated in behalf of the State. The proceeds of the sales of the bonds, which shall be held by the Treasurer of State and paid by him upon warrants drawn by the Governor, are appropriated to be used solely for the purposes set forth in this Act. Any balance unexpended shall not lapse, but shall be carried forward to the same account to be used only for the purposes herein set forth.

**Sec. 5. Proceeds of bonds not available for other purposes; must be kept separate from other funds.** The proceeds of all bonds issued under authority of this Act shall at all times be kept distinct from all other moneys of the State and shall not be drawn upon or be available for any other purpose.

**Sec. 6. Interest and debt retirement.** Interest due or accruing upon any bonds issued under this Act and all sums coming due for payment of bonds shall be paid by the Treasurer of State.

**Sec. 7. Disbursement of bonds proceeds.** The proceeds of the bonds shall be expended under the direction and supervision of the Department of Transportation.

**Sec. 8. Contingent upon ratification of bond issue.** No action shall be taken or liability incurred under this Act unless and until the people of Maine shall have ratified the issuance of bonds in behalf of the State at such times and in such amounts as set forth in this Act for the purpose of building a bridge across the Kennebec River in the City of Augusta.

**Sec. 9. Statutory referendum procedure; submission at special statewide election; effective date.** This Act shall be submitted to the legal voters of the State of Maine at a special statewide election to be held on the Tuesday following the first Monday of November following passage of this Act. The city aldermen, town selectmen and plantation assessors of this State shall notify the inhabitants of their respective cities, towns and plantations to meet, in the manner prescribed by law for holding a statewide election, to vote on the acceptance or rejection of this Act by voting on the following question:

“Shall a bond issue be ratified in an amount not to exceed \$10,000,000 for the construction of a bridge across the Kennebec River in the City of Augusta?”

The legal voters of each city, town and plantation shall vote by ballot on this question, and shall designate their choice by a cross or check mark placed within a corresponding square below the word "Yes" or "No." The ballots shall be received, sorted, counted and declared in open ward, town and plantation meetings and returns made to the Secretary of State in the same manner as votes for members of the Legislature. The Governor shall review the returns and, if it appears that a majority of the legal votes are in favor of the Act, the Governor shall proclaim that fact without delay, and the Act shall become effective 30 days after the date of the proclamation.

The Secretary of State shall prepare and furnish to each city, town and plantation all ballots, returns and copies of this Act necessary to carry out the purposes of this referendum.
