Further amend the Bill by striking out in the 4th paragraph  
all of the 3rd and 4th sentences and inserting in their place  
the following:

'Those agents authorized to issue both registrations and  
renewals may issue registrations for ~~automobiles-and~~ trucks

from the previous registration in the status of the vehicle to include the registered gross weight, axles or any other change in status defined by the Secretary of State, provided these vehicles are not for hire.'

Statement of Fact

The purpose of this amendment is to clarify the definition of camp trailer, to authorize municipal agents to issue registrations and registration renewals for farm tractors and to clarify the status of all vehicles that may be registered by municipal agents. The bill could be interpreted to read that all motor vehicles registered in a municipality could not exceed 6,000 pounds g.v.m.
