STATEMENT OF FACT

The purpose of this Resolve is to authorize the State Tax Assessor to convey the interest of the State in certain lands in the Town of Atkinson, in Penobscot County and St. John Plantation in Aroostook County and the Unorganized Territory.

This resolve also authorizes the State Tax Assessor to convey by sale the interest of the State in certain lands in the unorganized territory. These lands include the following:

Land of: Bertha McMillan. This property consists of a 3 acre lot located upon a black-topped road in Milton Township. The land is low, wet and generally brush covered and offers little potential as a building site. Estimated sales value—\$690.

Land of Laurence V. Crooker. This property consists of 0.14 acre lot, located near the shore of Moosehead Lake in Rockwood Township and involving neither road nor lake frontage. Because of the small lot size involved, this property would probably not be suitable as a potential building site. Estimated sales value—\$300.

Land of: Arthur J. Kennedy. This property consists of a 9.4 acre wooded lot, involving neither road nor water frontage and having no services available to this particular lot. Estimated sales value—\$850.

Land of: Albert Harnois. This property consists of an 0.60 acre houselot with a one story frame house and shed, the property fronting upon Lewey Lake and a black-topped road in Indian Township. The house has a concrete foundation, basement, generally finished interior, asbestos siding exterior, floor furnace heating, a 3-piece bath and minimal lighting. This structure is in generally poor physical condition. Estimated sale price—\$3,170. Note: Albert Harnois currently has \$180 on deposit in the Wildland Redemption Account towards the repurchase of this property.
