STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED

**AN ACT Concerning Traditional Methods of Construction Under the Manufactured
Housing Statutes.**

Be it enacted by the People of the State of Maine, as follows:

10 MRSA § 9002, sub-§ 7, 2nd sentence, as enacted by PL 1977, c. 550, § 1, is amended to read:

The term includes mobile homes, modular homes and any other type of building ~~or housing component~~ which is constructed at a manufacturing facility and then transported to a building site where it is utilized for housing and may be purchased or sold by a dealer in the interim.

STATEMENT OF FACT

The purpose of this bill is to remove the possibility that traditional methods of construction will be regulated by the Manufactured Housing Board. The 1977 Manufactured Housing Act, creating the Manufactured Housing Board, was intended to regulate only the manufacture, sale and installation of mobile and modular housing.
