the State and has no authorized agent or attorney in the^{State,} the

damages sustained by the owner, as is provided for laying out
county ways by Title 23, sections 2052 and 2054, except that no

notice need be given to the Department of Transportation, and on pay-
ment or tender of those damages, or if the owner does not reside

county for his use, the Community School District may take that
lot to be held and used for the purposes set out in ~~this section.~~
The trustees
← shall then, ← within 30 days after payment, tender or
deposit of those damages, cause a description of the lot as laid

2 successive years, the lot reverts to the owner, his heirs
or assigns, on demand by him or them in writing made to the
municipal officers of the town, the school directors of the
School Administrative District or the board of trustees
of the community school district subject to the right of the
town or school directors or board of trustees to enter upon

Further amend the amendment in Part B by renumbering the sections to read consecutively according to Title and section.
