STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED AND EIGHTY

AN ACT Relating to the Provisions of the Charter of the Brunswick Sewer District.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. P&SL 1947, c. 77, § 1, as repealed and replaced by P&SL 1965, c. 165, § 23, is repealed and the following enacted in its place:

Sec. 1. Brunswick Sewer District created. The entire territory in the Town of Brunswick with the inhabitants thereon is created a body politic and corporate by the name of Brunswick Sewer District, hereinafter called the district, for the purpose of providing and maintaining within the district a sewer system and suitable sewers, drains and sewage disposal plants, with all the rights, privileges and immunities incident to similar corporations, or necessary for the accomplishment of these purposes; provided that nothing contained in the private and special laws of 1947, chapter 77, as amended, shall be construed so as to vest the district with any duty of providing and maintaining catch basins or drainage of public ways.

Sec. 2. P&SL 1947, c. 77, § 6, next to last sentence, as amended by P&SL 1967, c. 88, is repealed and the following enacted in its place:

The compensation for each trustee shall be \$35 per meeting for every duly-called meeting of the trustees.

STATEMENT OF FACT

This bill enlarges the territory to be served by the Brunswick Sewer District to be that of the entire Town of Brunswick. Secondly, the bill increases the compensation of the sewer district trustees to a level somewhat more commensurate with the increased responsibilities of the district. This is the first such increase since 1967 and only the 2nd since the district was established in 1947.
