STATEMENT OF FACT

This bill is designed to increase revenue for the Real Estate Fund in order to meet rising operating costs of the Real Estate Commission and to provide a schedule of fees under one section. In modifying fees, an attempt was made to set like fees for like services without regard to the nature of the license.

The bill also eliminates the 6-month waiting period before applying for

examination after an applicant fails 2 examinations and permits real estate salesmen the opportunity to transfer between resident and nonresident status.

The proposed increases are expected to generate an additional \$39,072 annually for dedicated revenue account 4118.1001.
