-2-

'Further amend the Bill in section 10 by striking out all of the 2nd paragraph and inserting in its place the following:

"Shall a bond issue be ratified in the amount of \$7,000,000 for energy conservation improvements for public school buildings and the University of Maine?"'

Statement of Fact

This amendment raises the amount of the bond issue to \$7,000,000 for energy conservation improvements in Maine's public schools and the University of Maine. This amendment makes \$5,000,000 of the \$7,000,000 available for public school energy conservation improvements. This is 2 times as much as proposed in the original bill. The university's portion will remain as originally proposed at \$2,000,000.
