#### STATEMENT OF FACT

This bill replaces L. D. 1314 and makes the following changes in the property tax law.

Section 1 repeals that part of the law which requires property tax payment prior to a bulk sale of inventory since inventories are now exempt from property taxation.

Sections 2 and 3 remove Jerusalem and Sugarloaf from the fire protection and public services taxes. These taxes are to provide public services and fire protection to the nonforestland in the unorganized townships. Organized municipalities are not assessed these taxes. Jerusalem and Sugarloaf are now organized municipalities. These sections also delete certain provisions and clarifies other provisions to conform the law to the Unorganized Territory, Educational and Services Tax.

Sections 4 and 31 provide a \$3 fee, instead of a \$1 fee, for recording and discharging a tax lien for the unorganized townships. Organized municipalities are required to pay a \$3 fee. There is no reason for a different fee for essentially the same function. Increasing the fee will produce approximately \$1,600 more in revenues for the register of deeds.

Section 5 deletes an incorrect sentence.

Sections 6, 7, 20 and 21 reallocate the sections of law dealing with the Land Classification Appeals Board procedure and adds clarifying language. Section 20 adds a municipal official to the Land Classification Appeals Board and provides that the Commissioner of Finance and Administration, or his designee, shall vote in case of a tie.

Section 8 changes obsolete references of the "director" of the Bureau of Taxation to the "State Tax Assessor," deletes an unnecessary reference, and clarifies the certification requirement for a professional assessor in a municipal assessing unit.

Sections 9, 10 and 11 clarify language dealing with municipal assessing units and primary assessing areas.

Sections 12, 13, 14, 26, 27, 28, 29, 32, 41 and 42 correct sections of the tax law dealing with the Unorganized Territory, Educational and Services Tax, repealing sections now included in the Unorganized Territory Tax District, correcting references and reallocating sections of that law to a more appropriate place in the statutes.

Section 15 repeals that part of the property tax law which describes the method of establishing the value of inventories since inventories are now exempt from property taxation.

Section 16 is part of a consolidation of the appeals procedures. It also makes minor language changes. This section also deletes the requirement that the municipal officials file a list of all tree growth land with the registry of deeds. This deletion will require a purchaser to go to the town office, instead of the registry of deeds, to determine the tree growth classification of a parcel of land. The State will still file a list of all tree growth land in the unorganized territory with the registry of deeds.

Sections 17 and 18 reallocate a section of law and rewords it to delete incorrect references and clarify the language.

Section 19 adds language to clarify the abatement procedure in the Tree Growth Tax Law to include denials of applications in that procedure as well as abatements of assessment.

Section 22 provides a more reasonable time period for certain appeals to the county commissioners concerning an abatement denied by the assessors.

Section 23 repeals an obsolete section of the law.

Sections 24 and 25 repeal the Farm and Open Space Law appeals procedure and provides uniform treatment of appeals under Title 36, section 841.

Sections 30 and 33 establish the procedure for notice of delinquent taxes in case the owner of the property is unknown.
