D. OF R.

L.D. 74

STATE OF MAINE
SENATE
110TH LEGISLATURE
FIRST REGULAR SESSION

(Filing No. S-107)

SENATE AMENDMENT " B " to COMMITTEE AMENDMENT "A" to
H.P. 62, L.D. 74, Bill, "AN ACT to Amend the Eating, Lodging
and Recreational Place Licensing Law."

Amend the Amendment in section 1 in that part designated
"§2495." in the 2nd paragraph by striking out all of the first
underlined sentence and inserting in its place the following:

'When any applicant is found, based upon an inspection by
the department or by municipal inspection made according to
section 2499, not in compliance with the requirements of this
chapter or departmental regulations adopted and approved
pursuant to section 2496 or ~~2499~~ 2499, subsection 1, the
department may refuse issuance of the initial license, but shall
issue a conditional license, except when conditions are found
which present a serious danger to the health and safety of the
public. A conditional license shall not exceed 90 days.'

Statement of Fact

The purpose of this amendment is to provide more protection
to the industry against an arbitrary decision on the part of an
inspector, while also allowing the department to refuse to
issue a license if serious dangers to the health and safety of
the public exist.
