 the Liquor Laws."

Amend the bill by striking out everything after the enacting clause
 and inserting in its place the following:

'28 MRSA §305 as last amended by PL 1975, c. 741, §17,
 is repealed and the following is enacted in its place:

§305. Premiums and rebates

Except as provided by sections 501 and 601, no certifi-
cate of approval holder, manufacturer or wholesale licensee
may ->require or give any price premium or discount in
connection with the purchase or sale of liquors except such
price premiums or discounts as are usually given or granted
by him and which are clearly shown on invoices, sales slips,
delivery slips and office records. All such price premiums
or discounts available to any single trade purchaser shall
be made available to all trade purchasers.'

Statement of Fact

amendment

The purpose of this / is to repeal the prohibition of
 price premiums and discounts.

It would allow usual and customary price premiums and
 discounts to retail licensees that hopefully would be passed on
