COMMITTEE AMENDMENT "A" to S.P. 285, L.D. 810

- 3-

For a master electrician's license at least 4,000 hours service as a journeyman electrician or at least 12,000 hours service as an apprentice or helper electrician or at least 12,000 hours experience in electrical installation, as defined in section 1101, and completion of a course of not less than 45 hours in the current National Electrical Code, the course to be approved by the Electricians' Examining Board; and'

Statement of Fact

The purposes of this amendment are to:

1. Provide that any person who passes a certified course at a Maine vocational-technical institute may take a journeyman's exam and, after 4,000 hours work under a master electrician's supervision, is entitled to a journeyman's license;
2. Grandfather any person enrolled in a certified course at a Maine vocational-technical institute on January 1, 1982, from the experience requirement as previously described, and
3. Add 2 new members to the examining board.

Section 5 of the amendment is in conflict with a section of the errors bill. The errors bill section merely makes a technical change. It is intended that this bill prevail over the error's bill if both are enacted.
