-3-

Sec. 5. 39 MRSA § 23, sub-§§ 6-10 are enacted to read:

6. Security deposit and excess insurance requirements for individual self-insurers. The following security deposit and excess insurance requirements apply to individual self-insurers.

A. The bond or security deposit required of an individual self-insurer shall not be less than the greater of an amount determined by the following formula or \$50,000. The bond or security deposit shall be the greater of an amount equal to the loss and loss adjustment expense portion of the annual standard premium for the prospective fiscal coverage period or outstanding loss reserves minus recoveries from all excess carriers and subrogation reduced to net collections plus 25% of annual standard premiums for the prospective fiscal coverage period. The percentage factor used to determine the portion of standard annual premium allocated for loss and loss adjustment expense shall be acceptable to the superintendent.

For individual self-insurers who have a net worth equal to or in excess of \$10,000,000; who have had positive net earnings demonstrated by certified statements of financial condition in at least (three) of the (five) latest fiscal years, including therein one of the (two) most recent years; and whose mean annual earnings are at least equal to the normal annual premium for the prospective fiscal coverage period, the minimum security deposit or bond shall be an amount determined by the formula above or as herein-after adjusted for applicable levels of working capital funds.

An employer meeting the above test may deduct from the penal

value of its surety bond or from market value of securities deposited, an amount not exceeding demonstrated working capital in such current statement of financial condition; the bond or deposit shall not be less than \$100,000.

For those self-insurers unable to meet the foregoing standards, the security deposit shall be governed by _____
← this subsection. Self-insurers failing these tests shall deposit acceptable funds or a surety bond in that amount produced by the formula to be written by a corporate surety which meets the qualifications prescribed by regulations of the superintendent.

Within _____ → 30 days after notice by the Superintendent of Insurance, the self-insurer shall post the deposit indicated. This deadline may be extended by the Superintendent for good cause, but in no event may exceed one year from the deadline for compliance as stated in the notice given to the self-insurer.

A bond or security deposit in excess of the amount prescribed by this subsection may be required if the Superintendent determines that the self-insurer has experienced a deterioration in financial condition which adversely affects the self-insurer's ability to pay expected losses.

B. All individual self-insurers shall maintain specific excess insurance unless the Superintendent, in his discretion, waives such a requirement. Specific excess insurance shall generally have a limit of at least \$2,000,000. Higher limits may be required for those businesses with a high risk of multiple injury from a single occurrence. The retention underlying specific excess policies shall be the lowest retention generally available for businesses of similar size and exposure, but may, at the superintendent's discretion, be established at higher levels consistent with the employer's claims experience and financial condition.

All individual self-insurers shall maintain aggregate excess insurance unless the superintendent, in his discretion, waives the requirement. The amount of aggregate excess insurance shall

be subject to individual determination by the superintendent at the time of application and annually thereafter.

7. Acceptable deposit funds or surety bonds. In addition to cash, the deposit funds acceptable to the superintendent as a security deposit shall include United States Government bonds, notes or bills, issued or guaranteed by the United States of America; bonds secured by the full faith, credit and taxing power of political subdivisions of the United States rated in the three highest grades by a national rating agency such as Moody's, Standard and Poor's, Fitch, as of the foregoing year end, money market funds which are invested only in ^{United States} Government or Government agency obligations with a maturity of one year or less; high grade Commercial Paper rated as either A¹ or P¹ by a national rating agency; certificates of deposit issued by a duly chartered commercial bank or thrift institution in the State which are protected by the Federal Deposit Insurance Corporation; savings certificates issued by any savings and loan association in the State which are protected by the Federal Savings and Loan Insurance Corporation, surety bonds in a form prescribed by the Superintendent which are issued by any corporate surety which meets the qualifications prescribed by regulation of the superintendent and such other investments approved by the Superintendent.

8. Qualifications for excess carriers. No workers' compensation contract or policy issued after the effective date of this section may be recognized by the superintendent in considering the ability of an individual or group self-insurer to fulfill its financial obligations under this Act unless the contract or policy is issued by an admitted insurance company or by an approved alien unincorporated insurer or other subsequently approved insurance exchange possessed of similar capitalization, deposit funds and underwriting capabilities which meets the minimum qualifications prescribed in Title 24-A and regulations appertaining to admission or eligibility requirements.

9. Revocation or Termination of the Self-Insurance Privilege.

The following may constitute grounds for denial of the right

R-of any individual or group to continue the option of self-insurance:

- A. Failure to comply with regulations adopted by the superintendent or any provision of this Act within 14 days, or such other time as may be established by order of the Superintendent, of notice of such failure;

D. OF R.

Sec. 6. 39 MRSA § 23-A is enacted to read:

§ 23-A. Maine Individual Self-Insurance Guarantee Association
Created. Maine

1. There is created a Individual Self-Insurance Guarantee Association to provide mechanisms for the payment of covered claims under self-insurance coverage to avoid excessive delay in payment and to avoid financial loss to claimants because of the insolvency of a individual self-insurer and to assist in the detection and prevention of individual self-insurer insolvencies.

Created; legal entity.

2. There is created a non-profit unincorporated legal entity to be known as the Maine Individual Self-Insurance Guarantee Association. All individual self-insurers, as defined in ^{this} Title, ← shall be and remain members of the Association as a condition of authority to self-insure in this State, except that all public employers which are individual self-insurers, with a net worth equal to or in excess of \$25,000,000 and in the case of counties, cities and towns a state-assessed valuation equal to or in excess of \$300,000,000 shall not be subject to → ← this subsection. The Association shall perform its functions under a plan of operation established → or amended ^{or both,} and approved by the Superintendent and shall exercise its powers through the board of directors established in this section.

A. An individual self-insurer shall be deemed to be a member of the Association for purposes of another self-insurer's insolvency, as defined in → subsection 6, when:

(1)

the self-insurer is a member of the association when an insolvency occurs; or

(2)

the self-insurer has been a member of the association at some point in time during the 12-month period immediately preceding the insolvency in question.

B. An individual self-insurer shall be deemed to be a member of the association for purposes of its own insolvency when:

(1)

the self-insurer is a member of the association when the insolvency occurs, but claims relating to a compensable event which occurred prior to the date the self-insurer joined the association are not included hereunder or

(2)
The self-insurer becomes insolvent after leaving the association, but claims relating to a compensable event which occurred prior to the date the self-insurer joined the association are not included hereunder, and claims relating to a compensable event which occurred after the self-insurer ceased to be an approved self-insurer are not to be afforded coverage hereunder.

3. Board of Directors. The board of directors of the Association shall consist of not less than ~~————~~ → 7 persons serving terms as established in the plan of operation. The board shall be selected by the member self-insurers, subject to the approval of the Superintendent of Insurance. Vacancies on the board shall be filled for the remaining period of the term in the same manner as initial appointments. If no members of the board are selected by December 1, 1981, the Superintendent may appoint the initial members of the board of directors.

← In approving selections to the board, the Superintendent shall consider among other things whether all member self-insurers are fairly represented.

← Members of the board may be reimbursed from the assets of the Association for expenses incurred by them as members of the board of directors.

4. ← Powers and Duties of the Association. The following are powers and duties of the association.

A. The association shall:

(1) Obtain from each member and file with the Superintendent individual reports specifying the aggregate benefits each member paid during the previous calendar year, and the annual standard premium which would have been paid, by each self-insurer during the previous calendar year pursuant to manual rates established by the principal rating organization in the State and using the experience rating procedure approved by the Superintendent of Insurance for that self-insurer. Their reports shall be due on or before February 15th following the close of that calendar year;

(2) Assess each member of the association as follows:

(a)
/Each individual self-insurer shall be annually assessed an amount equal to 1% of the annual standard premium which would have been paid by that individual self-insurer during the prior calendar year; payment to the association shall be made no later than April 15th following the close of that calendar year. Regardless of the size of the fund referred to in subparagraph (3) during its first year of membership no individual self-insurer may discount or reduce this 1% assessment.

(b)
/Each member self-insurer shall be notified of the assessment no later than ----- > 30 days before it is due;

(c)
/If a self-insurer is a member of the association for less than a full calendar year, the annual standard premium shall be adjusted by that portion of the year the self-insurer is not a member of the association;

(d)
/If application of the contribution rates referred to in division (a) ----- > would produce an amount in excess of the limits of the fund established in subparagraph (3) an equitable proration shall be made, and

(e)
/In addition to any other assessments under this section, any employer who becomes a self-insurer after any period of time in which assessments have been made under division (a) ----- > shall be liable for the same number of annual 1% assessments which were paid by the original members of the Association under that division ;

(3) Administer a fund, to be known as the Maine Individual Self-Insurance Guarantee Fund, which shall receive the assessments required in subparagraph (2) and which shall have a maximum level equal to \$1,000,000. If, after reaching the \$1,000,000 maximum level, the balance in the fund at any time is less than the amount required hereunder, the association shall make assessments against

each member of the association in order to fund the deficiency.

The costs of administration by the association shall be borne by the Fund, and the association is authorized to secure reinsurance and bonds and to otherwise invest the assets of the Fund to effectuate the purpose of the association, subject to the approval of the Superintendent of Insurance.

- (4) Be obligated to the extent of covered claims occurring prior to the determination of the self-insurer's insolvency, or occurring after such determination but prior to the obtaining of workers' compensation insurance as otherwise required under this Title by the self-insurer. Nothing in this section shall obligate the association to pay claims against a self-insurer which are not or have not been paid as a result of a determination of insolvency or the institution of bankruptcy or receivership proceedings which occurred prior to the effective date of this section. "Covered claim" means an unpaid claim against a insolvent self-insurer which relates to an injury which occurs while the self-insurer is a member of the association and which is compensable under this Act.
- (5) After paying any claims resulting from a self-insurer's insolvency, the association shall be subrogated to the rights of the injured employee and shall be entitled to enforce liability against the self-insurer by any appropriate action brought in its own name or in the name of the injured employee.
- (6) Assess the Fund in an amount necessary to pay:
- (a) The obligations of the Association under this section subsequent to an insolvency;
 - (b) The expenses of handling covered claims subsequent to an insolvency;
 - (c) The costs of examinations under subsection 3; and

(d)
Other expenses authorized by this subchapter.

(7) Investigate any claims brought against the Association and adjust, compromise, settle and pay covered claims to the extent of the association's obligation and deny all other claims. The association may review settlements to which the insolvent self-insurer was a party to determine the extent to which such settlements may be properly contested;

(8) Notify such persons as the superintendent directs under subsection 7;

(9) Handle claims through its employees or through one or more self-insurers or other persons designated as servicing facilities. Designation of a servicing facility is subject to the approval of the superintendent, but designation of a member self-insurer as a servicing facility may be declined by such self-insurer;

(10) Reimburse each servicing facility for obligations of the association paid by the facility and for expenses incurred by the facility while handling claims on behalf of the association; and

(5) Perform such other acts as are necessary or proper to effectuate the purposes of this section.

C. ~~←~~ The following pertains to post-insolvency assessment.

(1) In the event the assets of the fund are not sufficient to pay the obligations of the association, then the association shall make an additional assessment as follows: Each individual self-insurer shall be assessed an amount not in excess of 2% each year of the annual standard premium which would have been paid by that individual self-insurer during the prior calendar year. The assessments of each member individual self-insurer shall be in the proportion that the annual standard premium of the individual self-insurer for the premium calendar year bears to the annual standard premium of all member self-insurers for the preceding calendar year.

(2) Each member self-insurer shall be notified of the assessment no later than ~~—————~~ → 30 days before it is due.

(3) ~~←~~ ————— The association may exempt or defer in whole or in part, the assessment of any member self-insurer, if the assessment would cause that member's financial statement to reflect liabilities in excess of assets.

(4) ~~←~~ ————— Delinquent assessments, except as provided in subparagraph (3) ~~—————~~ → shall bear interest at a rate to be established by the Board, but not to exceed the discount rate, Federal Reserve Bank, Boston, ^{Massachusetts,} on the due date of the assessment plus 4% annually, computed from the due date of the assessment.

D. ~~←~~ ————— No individual self-insurer may be assessed in any calendar year an amount greater than 2.5% of the annual standard premium which would have been paid by that self-insurer during the prior calendar year. If the maximum assessment does not provide in any one year an amount sufficient to make all necessary payments, the funds available shall be prorated and the unpaid portion shall be paid as soon thereafter as funds become available.

5. Plan of operation. The plan of operation is as follows.

A.

The association shall submit to the superintendent a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon approval in writing by the superintendent.

If the association fails to submit a suitable plan of operation by January 1, 1982, or if at any time thereafter the association fails to submit suitable amendments to the plan, the superintendent shall, after notice and hearing, adopt and promulgate such reasonable rules as are necessary or advisable to effectuate this section. Such rules shall continue in force until modified by the superintendent or superseded by a plan submitted by the association and approved by the superintendent.

B. All member self-insurers shall comply with the plan of operation.

C. The plan of operation shall:

- (1) Establish the procedures whereby all the powers and duties of the association under subsection 4 will be performed;
- (2) Establish procedures for handling assets of the association;
- (3) Establish the amount and method of reimbursing members of the board of directors under subsection 3;
- (4) Establish procedures by which claims may be filed with the association and establish acceptable forms of proof of covered claims. A list of such claims shall be periodically submitted to the association;

(5)
Establish regular places and times for meetings of the board of directors;

(6)
Establish procedures for records to be kept of all financial transactions of the association, its agents and the board of directors;

(7)
Provide that any member self-insurer aggrieved by any final action or decision of the association may appeal to the superintendent within 30 days after the action or decision;

(8)
Establish the procedures whereby selections for the board of directors shall be submitted to the superintendent; and

(9)
Contain additional provisions necessary or proper for the execution of the powers and duties of the association.

6. Insolvency. A self-insurer shall be insolvent for the purposes of this section under the following circumstances:

A. Determination of insolvency by a court of competent
← jurisdiction; or

B. ← Institution of bankruptcy proceedings by or regarding
← the member self-insurer.

7. ← Powers and Duties of the Superintendent. The powers and duties of the superintendent are as follows.

A. The superintendent shall:

(1) Notify the association of the existence of an insolvent member self-insurer not later than
← 30 days after he receives notice of an insolvency pursuant to the standards set forth in subsection 6.

B. ← The superintendent may:

(1) Require that the association notify the insureds of the insolvent self-insurer and any other interested

parties of the insolvency and of their rights under this section. Such notifications shall be by mail at their last known addresses, where available, but if required information for notification is not available, notice by publication in a newspaper of general circulation in this State shall be sufficient; and

(2) Revoke the designation of any servicing facility if he finds claims are being handled unsatisfactorily.

8. Examination of the Association. The association shall be subject to examination and regulation by the superintendent. The board of directors shall submit, not later than March 30th of each year, a financial report for the preceding calendar year in a form approved by the superintendent.

9. Tax Exemption. The association shall be exempt from payment of all fees and all taxes levied by this State or any of its subdivisions, except taxes levied on real or personal property.

10. Immunity. There shall be no liability on the part of and no cause of action of any nature may arise against any member self-insurer, the association or its agents or employees, the board of directors, or individual members of the board, or the superintendent or his representatives for any action taken by them in the performance of their powers and duties under this subchapter.

11. Nonduplication of Recovery. Any person having a covered claim which may be recovered under more than one insurance or self-insurance guarantee association or its equivalent shall seek recovery first from the association of the place of residence of the claimant. Any recovery under this section shall be reduced by the amount of recovery from any other insurance guarantee association or its equivalent.

12. Stay of Proceedings. All proceedings under this Act to which the insolvent self-insurer is a party either before the commission or a court in this state, shall be stayed for 60 days from the date of insolvency in order to permit the Association to properly prosecute or defend any petition, claim or appeal under this Act.

Statement of Fact

This amendment establishes financial responsibility standards for self-insurers in both the private and public sector.

It also creates a ^{Maine} Individual Self-Insurance Guarantee Association to protect workers against any default by a self-insurer due to insolvency. It requires the Association to assess all individual self-insurers to create a \$1,000,000 contingency fund to pay claims and to further assess self-insurers if necessary to pay any claims against an insolvent self-insurer.

The Association would be overviewed by the Bureau of Insurance and subjected to regular audit.
